Hello everyone,

Attached please find the latest agenda with specific locations for each meeting. I have also attached the list of restaurants nearby.

The transportation details from the airport to downtown Denver are included in the Ticketleap registration page under "Get There" Tab or this link:

<https://westar.ticketleap.com/2016-fall-westar-technical-conference-exceptional-events-implem/get-there/>

There will be coffee and some snacks provided during breaks on both days but **please bring your own bottle of water** as there will not be water bottles provided during the meetings.

EPA building security instructions are as follows:
